Job Description:

Western Wyoming Beverages is seeking a full-time Assistant Branch Manager. The Jackson area Assistant Branch Manager's (ABM) primary responsibilities are to work directly in conjunction with the branch manager to ensure the success of the Jackson soda market. The ABM will be responsible to cover delivery and sales routes during vacancies. The ABM will also act as a fill in during the times that the branch manager is out of the office. The sales team as well as merchandisers and drivers will directly report to the assistant manager. The position is responsible to have knowledge in all areas of the Jackson market, making routine market visits with key customers to build WWB's reputation with accounts, within the community and ensure marketing and pricing programs are being fully executed. The ABM will also lead local and national account resets to ensure WWB's "look of the leader" mentality. This position will also learn basic equipment maintenance to help the efficiency of the service department, they will also serve as a helper during equipment installs. The ABM will be responsible for entering and managing hourly employee's time sheets as well as ensuring that no hourly employee receives over time.

Attention to detail, organization and self-motivation are all necessary characteristics for the position. This position will require a strong, sales oriented and sales aggressive personality. The ideal candidate will possess excellent computer and customer service skills, be extremely dependable, work well as part of a team and have the desire to go beyond the job description to develop and implement strategies to improve our business.

Desired Qualifications:

An Associate's Degree or Bachelor's Degree in Business Administration, Management, or Marketing or combination of relevant experience and education with a minimum of 2-5 years of sales and management experience.
